

DATE: March 13, 2020

SUBJECT: No Lay Division classes through April 17

Today, the bishops of the three dioceses of Colorado have announced that all public Masses have been canceled, effective immediately. Additionally, many Catholic schools in Colorado are closing for the next two weeks, after which they will reassess the overall situation at that time. Therefore, we are cancelling the next three weeks of Lay Division classes, after which we will have our already-scheduled Holy Week/Easter Break (April 6-17). So, there will be no Lay Division classes through April 17 (including Super Saturday classes), at which time we will reassess the situation and make the appropriate decision moving forward. In the meantime, please join us as we pray to all God's holy angels and saints that our community be restored to health by Easter.

Your instructor will be in touch with you about how you will receive class materials these next three weeks digitally. Basically, you can expect the following:

1. Each week, your instructor will email to the class the audio of that week's lesson.
2. You are invited to email your completed assignment to your instructor each week as well. That way, the instructor will be able to review your work and make comments in the usual timely fashion.
3. Finally, please know you are always invited to reach out to your instructor for any questions you may have about any lesson.

More details will come from your instructor directly, but I wanted to give you a head's up of our cancellation and plans to continue offering the lessons digitally.

Thank you for your patience and understanding during this crazy time. We are all experiencing a situation that has never been seen before in the history of the Biblical School, and we hope to make every effort to weather this logistical challenge well for all our students and auditors.

Considering that this crisis is occurring during this Lenten season, we collectively offer up our sincere prayers and sacrifices for the resolution of this health crisis and for the health and healing of our CBS family and the community beyond. For the latest update from the Archdiocese of Denver, click [HERE](#). God bless you and your loved ones.

In the Sacred Heart of Jesus,
Dr. Lebish
