- Classes will temporarily be offered in online format for the 2020-2021 academic year, due to COVID restrictions. Using an online platform, students will meet virtually for 30 weeks for LIVE lectures from LIVE instructors, followed by opportunities for Q&A and small group break-out sessions with fellow students (for CBS, CCS classes).
- Classes begin the week of September 14, 2020. (2020-2021 Calendar available at [www.sjvlaydivision.org](http://www.sjvlaydivision.org))
- All class times are listed in MST time.
- Online registration open now at [sjvlaydivision.org/register/](http://sjvlaydivision.org/register/)
- New and prospective students are strongly encouraged to attend an Information Session prior to the start of class. Every Information Session provides the same information, so attend any session at any location for the class you're interested in. Several online info sessions available.
- Information Sessions (plan on 1.5 hours) are FREE and give the student an overview of the class and/or program. Attendees will meet a member of our instructional staff and hear a sample lecture, as well as see all class materials and have any questions answered. No need to sign up to attend an Information Session -- just show up!!
- Students can join an online Info Session from the links posted on "Register Here" page of our school website.
- Please check with hosting parish or our website before attending an Information Session, in case of any last-minute scheduling changes.
- Pick up a brochure at local churches for more information! For all other information/inquiries, visit [sjvlaydivision.org](http://sjvlaydivision.org) or call 303.715.3195.
